FALL TRAINING SCHEDULE 2021
JULY 15 – NOVEMBER 18

Do you have a hunger to do the works that Jesus did? In Matthew 10:7-8^{NKJV} Jesus told his disciples, *“As you go, preach, saying, ‘The kingdom of heaven is at hand.’⁸ Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received, freely give.”*

Gulf Coast Prayer and Healing Center (GCPHC) is a prayer & healing, training & sending ministry. We train and equip students to fulfill their God-given destinies, and within the sphere of their influence, establish, live and demonstrate God’s kingdom life on earth as it is in heaven. We offer two seventeen-week, tuition-free, training semesters annually. Our winter semester begins with Orientation on July 15 and ends with student graduation on November 18.

ABOUT OUR CLASSES

LEARNING TO SOAR (LTS)

This discipleship class concentration is on how a believer’s righteousness in Jesus Christ makes it possible for Holy Spirit to work in and through them. The class lays a strong foundation in biblical principles, empowering students to live the victorious life their heavenly Father designed for them to live.

DIVINE HEALING TRAINING (DHT)

The primary focus of this class is to teach the truth regarding God’s will to heal. It reveals the sacred cows and traditions of men which have hindered Christians from fulfilling Jesus’ command to ‘go, heal the sick.’ Students learn how to biblically and effectively minister healing.

NEW CREATION IN CHRIST (NCIC)

This class focuses on the new birth in Jesus Christ. It’s more than just a religious act to get one into heaven; it’s a divine, God empowered, transformation. The new birth means you are now children of the Most High God and joint heirs with Jesus Christ. And, as members of the royal household of God, there is now a divine purpose for your life.

SPIRITUAL WARFARE AND TACTICS (SWAT)

The objective of this series is to train believers in the strategies of spiritual warfare and equip them to be winners in every battle. It teaches students to recognize the strategies of the enemy and how to move from the defensive and launch offensive counterattacks.

ISAIAH 61 (IS61)

The vision of GCPHC is to train and equip the children of God for the work of the ministry. This class gives students the opportunity to put into practice, in their community, what they have learned in the classroom. Students learn the joy of ministering and how truly easy it is to be a witness for Jesus Christ.

Registration is currently open. Call or text Patricia Allen-Wiggins at 251-259-5117 to register.
